Furniture Rental Company

About Homepost

Homepost rents furniture to companies and embassies in Belgium who have to house for at least six months foreign employees or staff-members. With over 25 years experience, Homepost offers top-rate customer service.

We rent everything for your home

You can rent quality furniture and appliances from living and dining rooms to washing machines, bedrooms, cutlery, pans, lighting and curtains. No matter your budget or taste, Homepost offers a wide variety to suit your lifestyle. Save time with one delivery and pick-up, all included in one price.

We guarantee everything we rent

After you have made an appointment we will come personally to your new house or apartment and we will select together with you the items that you request. Or you can make your selection via our online catalogue. After selection off the furniture, we sent to you a proposal, so that you have an accurate view off the costs.

with over 25 years Experience

Housing expats?

Are you housing foreign employees for six months or longer? Although you want them to be comfortable, you don't know where to start, you just know there's a deadline for when everything needs to be ready...

Sit back and relax while we collect, deliver and place the interior decoration and furnishing for your employees' new homes. You can even watch us doing it. And it all comes for one small price which we agree upon in advance. It saves you from any nasty surprises. And, when you are ready, we will even pick everything up.

**“Give your expats a worry-free stay,
trust in the 25 years of experience and professionalism at Homepost.”**
